Citadel Brands certifies that to the best of our knowledge all the components used in the manufacturing of our products comply with the requirements of Proposition 65.

We further certify that no person, in the course of doing business, shall knowingly and intentionally expose any individual to a chemical known to the state of California to cause cancer or the reproductive toxicity without first giving clear and reasonable warning to such individual.

We recognise that we are expected to develop prevention-based product safety and quality programs that ensure all products meet regulatory requirements and consumer expectations. We also understand that we will be held responsible for the safety and quality of our products.
